Subject: RE: Response To Application Number NY/2024/0072/FUL at Land at Mowbray School, Masham Road, Bedale, North Yorkshire, DL8 2SD

Hi Sukaina

Yes that is no problem at all with it being reworded. The condition was not aimed at school staff and only, as you have correctly assumed below, relates to those associated with the development.

Kind Regards

Good afternoon Hannah,

Thank you for providing consultation response (attached herewith) for the above planning application.

I have received the following query from the Applicant in relation to the wording of the recommended condition HC-24 Onsite Parking, On-Site Storage and Construction Traffic During Development:

HC-24

Can I please confirm that the wording on the conditions 'part a - onsite parking capable of accommodating all staff and sub contractors vehicles clear of the public highway'

Is purely for during construction and is amended to say 'part a - onsite parking capable of accommodating **contractors** staff and sub contractors vehicles clear of the public highway'.

Please can you assist with the query and the suggested amended wording of the condition.

I look forward to hearing from you.

Kind regards,
Sukaina
