Subject: Planning Application for reopening of Gayles Quarry

Importance: High

Good Morning,

I am a planning Officer for North Yorkshire County Council dealing with a planning Application for the reopening of Gayles Quarry which is adjacent to Feldom Ranges near Catterick Garrison, North Yorkshire.

The proposed route for the HGVs goes past the range and through the area where red flags are displayed when firing, I have attached a map of the route and the transport statement for your information .

I have contacted our usual MOD consultee twice but have had no response, but I think they deal with bird strike safeguarding.

The link for the application is

<https://onlineplanningregister.northyorks.gov.uk/Register/PlanAppDisp.aspx?recno=11569> if you would like further information.

I am not sure if I have contacted the right section of the MOD regarding this, but I think it is important that we have a response from the MOD regarding the quarry HGVs using this route.

Please respond to planning.control@northyorks.gov.uk.

I look forward to your response.

Kind Regards

Joan Jackson
