Subject: New comments for application NY/2025/0030/ENV
Date: 08 March 2025 10:03:52

New comments have been received for application NY/2025/0030/ENV from Mrs Carol Rochnia.

Comments:

We really should not be eroding our coastal areas. How many holiday makers will this put off due to increase in heavy traffic, noise and light pollution. In todays times we should not be looking at this type of fuel. The loop hole being exploited by Europa needs to be closed.
