New comments have been received for application NY/2025/0030/ENV from Miss Maria Webdale.

Comments:

Absolutely do not allow this.

I was all for fracking at kirby misperton a few years ago and very against the anti frackers until it was proven the Preston new road site caused over 120 tremors. Fracking was banned there. Environmentally this is so bad in this day n age. Please don't allow this it is banned in 2019 for a valid reason.
