Re: Planning Ref. No. NY/2005/0030/ENV
Dear Madam,

I am writing to protest about the above proposal for many reasons. I have lived in Burniston for 47 years and have raised 2 children and 3 grandchildren at taught here until I retired!

① I am worried about potential air pollution and damage to the water table.

② I am extremely concerned about

heavy traffic which would be using local roads used by children and old people.

③ A drilling rig in an area of coastal beauty would be an eyesore.

④ The coast path and cinder track are very close to the potential site and are used by many pedestrians and cyclists.

⑤ Tourism is the main industry in this area and could be adversely affected.

Please, please will you take my concerns into account and please refuse Europa's application.

Yours faithfully
