Subject: New comments for application NY/2025/0030/ENV
Date: 14 March 2025 16:17:23

New comments have been received for application NY/2025/0030/ENV from Mr David Elwick .

Comments:

I oppose this application on the grounds of the environmental impact it will have. Wildlife, noise, water pollution, extra traffic, light pollution, toxic fumes.
