Subject: New comments for application NY/2025/0030/ENV
Date: 15 March 2025 13:33:50

New comments have been received for application NY/2025/0030/ENV from Mr Richard Metcalfe.

Comments:

I object to this application to drill for Gas. Many reasons like Pollution, Road Safety, increased traffic, earth tremors. Drill site being close to homes and village and the massive possibility in water pollution
