Subject: New comments for application NY/2025/0030/ENV
Date: 15 March 2025 14:12:14

New comments have been received for application NY/2025/0030/ENV from Mrs Victoria Wilkinson.

Comments:

I wish to object in the strongest possible terms. The cliffs are unstable and we lose land to the sea constantly. Any vibration could accelerate this.

Also the area is rural and enjoyed by many locals and visitors for peaceable enjoyment, this would be ruined by industry as this.
