**Subject:** New comments for application NY/2025/0030/ENV  
**Date:** 15 March 2025 17:10:30

---

New comments have been received for application NY/2025/0030/ENV from Dr Elisabeth Wallmann .

Comments:

I am horrified that permitting fracking would even be considered when it's negative effects not just for the planet but also to the local environment and people - especially children - are so well known. This is all the more horrifying as this local area is such a beautiful strip of nature.
