Subject: New comments for application NY/2025/0030/ENV

Categories:

New comments have been received for application NY/2025/0030/ENV from Mr Alexander Trousdale.

Comments:

I object to the project, I grew up in this beautiful area and the project will take away from that. It will add lots of traffic and I am also concerned about the health risks of the project to my family and friends that live there.
