Subject: New comments for application NY/2025/0030/ENV

Categories:

New comments have been received for application NY/2025/0030/ENV from Mrs Philippa Taylor .

Comments:

I object most strongly to this application it would have a devastating effect on this beautiful rural community and its diverse wildlife. It's has a bust road now and to add thousands of Hgvs on it would be horrendous for the safety of children in the village who mainly walk to school. Also the polluting aspect of this cannot be underestimated. This is a tourist area of outstanding natural beauty which will be ruined which will affect the local economy in a very negative way.
