**Re: Planning Ref. No: NY/2025/0030/ENV**

**Europa Oil and Gas application for appraisal drilling at Burniston Mill Site**

Dear Amy,

I am writing in connection with the above Planning Application made by Europa Oil and Gas for the construction, drilling and testing of this site to extract gas through a proppant squeeze process.

Having considered this fully, I wish to object for the following reasons:

1. FRACKING WILL AFFECT THE CHARACTER OF OUR BEAUTIFUL HERITAGE & COAST
2. GAS FLARING WILL PRODUCE TOXIC FUMES NASTY SMELLS NIGHT TIME LIGHT POLLUTION
3. H.G. U.S WILL BE TURNING ACROSS A BUSY MAIN ROAD
4. ON A BLIND CORNER & WILL CAUSE NOISE & SPOIL OUR VILLAGES
5. etc FRACKING WILL BE A DANGER TO WILDLIFE, FLORA & FAUNA. OUR VILLAGES ROADS ARE NOT BUILT FOR THIS TRAFFIC

I hope that my concerns are fully taken into account by the Planning Committee during your review process. THIS AREA IS LARGELY RURAL & WE WON'T BENEFIT IN ANY WAY FROM THIS FRACKING.

Yours sincerely, WE ARE TRYING TO REDUCE THE USE OF FOSSIL FUEL
