Subject: Proppant squeeze at Burniston
Date: 20 March 2025 17:54:49

Dear Planning Control

I would like to register my objection to the planned proppant squeeze at Burniston.

Unfortunately this process was not prohibited by the moratorium on fracking as the volume of liquid used is below the limit set by law.

Burniston is on the edge of the North York Moors National Park. This is a wonderful area which would be blighted by this process and all the infrastructure it would need.

I urge the council to vote against this application.
