**Re: Planning Ref. No: NY/2025/0030/ENV
Europa Oil and Gas application for appraisal drilling at Burniston Mill Site**

Dear Amy,

I am writing in connection with the above Planning Application made by Europa Oil and Gas for the construction, drilling and testing of this site to extract gas through a proppant squeeze process.

Having considered this fully, I wish to object for the following reasons:

1. Gas Flaring toxic fumes and horrid smells
2. Farmland destroyed
3. damage to wild life and birdlife
4. Other Uk gas sites shut down due to downstream emissions
5. Road safety with extra hgvs on already over capacity rural road network

I hope that my concerns are fully taken into account by the Planning Committee during your review process.

Yours sincerely,
