Dear Sir/Madam,

I learnt with concern the plans Europa have for fracking in North Yorkshire.

I am not a resident of your local area but I am a parent of a young child for whom I can't stop worrying about the world, or rather lack of, she is inheriting from us.

Yes the unspoilt views will be ruined, yes house prices will suffer, yes tourism will be reduced. But you can't have unspoilt views, rising house prices and tourism on a dead planet. So please, please think carefully before permitting new gas to be extracted.

Yours faithfully
