Dear Ms Taylor,
Please be informed that, as a resident of this area, I strongly object to this application on the following grounds:

Pollution, including gas flaring, smells, risk to water supply, affect on mental health.

Road safety on busy narrow roads.

The effects on tourism which this area heavily relies on economically.

The proximity to homes and farmland.

The underhand manner by which this company has bypassed previous rulings on racking.

Thank you for your attention.

Mr Reid
