Subject: New comments for application NY/2025/0030/ENV

New comments have been received for application NY/2025/0030/ENV from Ms Zoe Naylor.

Comments:

I object to this planning application. Europa Gas & Oil cannot guarantee that there will be no adverse seismic repercussions to this land. The proposed drilling will definitely have adverse effects on local tourism, property prices, plus increased movement of HGVs. I also oppose on environmental grounds: light pollution, gas emission, and disturbance and danger to local bird and wildlife.
