Subject: New comments for application NY/2025/0030/ENV

New comments have been received for application NY/2025/0030/ENV from Mrs Ann North.

Comments:

Too much heavy traffic on already overloaded small roads through villages of burniston, cloughton and north york moors.

For environmental reasons we don't need more gas and should be reducing our carbon emissions.

This will have a significant impact on a beautiful coastline and its wildlife
