Hello

Objecting to this 🙄⚖️

I'm not into damaging the planet 🌍

Be cool and stop 🛑

I don't like contaminated air and water 🤢

Neither do the animals 🐉🐘🐮🐑🐔🐟🐈🐇🐿️🐉🐱🐼🐶🐷🐘

Animals don't want to lose their habitats 🏠

Fracking causes birth defects 🤡

Fracking wastewater causes endocrine disruption and all sorts of problems to bodies this means:

- Reproductive problems (wombs and willies)
- Developmental issues (babies growth)
- Metabolic disorders (being able to think, breathe, eat and process)
- Certain cancers (you must know what that is?)
- Neurodevelopmental disorders (brain & spinal cord, think children with speech and language issues, memory and behaviour)
- Intersex characteristics in wildlife 🦋♀️♂️ which for a government that hates intersex and transpeople is WILD contradiction.

Why do you not care about the health of the people?

What a meanie. Bad government. So disappoint. 😞
