Subject: New comments for application NY/2025/0030/ENV
Date: 27 March 2025 20:44:03

New comments have been received for application NY/2025/0030/ENV from Mrs Karen Lee.

Comments:

I object to this construction as I feel it will be an eyesore on the landscape around burniston. Also as a mother I am concerned at the health and safety risks of children in the area who use the bike track on a regular basis and cross the already busy road and adding the large trucks would increase the risk of accidents.
