Subject: New comments for application NY/2025/0030/ENV
Date: 30 March 2025 17:24:32

New comments have been received for application NY/2025/0030/ENV from Mrs Dawn Nisbet.

Comments:

I object to the proposal to drill for gas in Burniston just outside due to road safety and busy narrow roads already. Drill site very close to homes and rural village. And 1km from a national park and close to weak cliffs.

We don't need more gas we are suppose to be moving to cleaner renewable energy and gas is sold internationally not here.
