Subject: New comments for application NY/2025/0030/ENV
Date: 01 April 2025 18:26:03

New comments have been received for application NY/2025/0030/ENV from Mrs Jane Koszykowska.

Comments:

Still site is very close to homes and rural villages. Devastating impact on the countryside and coastline.

Damage to wildlife and habitats.

Thought we were moving to renewable energy - not more gas production.
