Subject: New comments for application NY/2025/0030/ENV
Date: 02 April 2025 09:33:43

New comments have been received for application NY/2025/0030/ENV from Mrs Vivien Connah.

Comments:

I object to this development on the grounds of health and safety issues on the limited roads that serve this area and make the transport needed for this development totally inappropriate.

I also have concerns for the health and safety of local inhabitants, including wild life.
