Re: Planning Ref. No: NY/2025/0030/ENV

Europa Oil and Gas application for appraisal drilling at Burniston Mill Site

Dear Amy,

I am writing in connection with the above Planning Application made by Europa Oil and Gas for the construction, drilling and testing of this site to extract gas through a proppant squeeze process.

Having considered this fully, I wish to object for the following reasons:

1. Traffic volume increasing
2. Noise
3. pollution to water and air
4. possibility of earthquakes
5. A severe blow to net Zero

I hope that my concerns are fully taken into account by the Planning Committee during your review process.

Yours sincerely,

Jane Finney
