Re: Planning Ref. No: NY/2025/0030/ENV
Europa Oil and Gas application for appraisal drilling at Burniston Mill Site

Dear Amy,

I am writing in connection with the above Planning Application made by Europa Oil and Gas for the construction, drilling and testing of this site to extract gas through a proppant squeeze process.

Having considered this fully, I wish to object for the following reasons:

1. Pollution :- Noise, Water, Traffic
2. Land Slip :- Damage to roads and property
3. Tourism :- Not a development which will help attract people to ^{the area}
4. No benefit :- It would seem that most benefit would be gained by a company based in America

I hope that my concerns are fully taken into account by the Planning Committee during your review process.

Yours sincerely,
