Subject: New comments for application NY/2025/0030/ENV
Date: 17 April 2025 17:50:14

New comments have been received for application NY/2025/0030/ENV from Mr Guy Baumann.

Comments:

I object for multiple reasons.

This goes against our move to net zero.

Poses environmental and geological risks.

Will cause excess road traffic and pollution.
