Subject: New comments for application NY/2025/0030/ENV
Date: 15 August 2025 19:11:26

New comments have been received for application NY/2025/0030/ENV from Mrs Lois McKinnpn.

Comments:

The damage to the already fragile cliff will be immeasurable along with the potential pollution of the water course. The development will be an environmental disaster for the cliff and surrounding area.
