Subject: New comments for application NY/2025/0030/ENV
Date: 06 September 2025 17:41:49

New comments have been received for application NY/2025/0030/ENV from Mrs Caroline Mayes.

Comments:

I object this planning permission due environmental reasons as that area suffers with a lot of coastal erosion and this will just add to it with all the water they will use for the drilling.

I also object to all the extra hgv's that will bring heavy machinery and water tanks through the small village rd leading traffic disruption.

The noise and

The light from the site will be disruptive to the villagers.

The effect on the wildlife and wildlife habitats being destroyed by this drilling rig site.

The environmental impact from pollution from this site with the chemicals they use.
