New comments have been received for application NY/2025/0030/ENV from Mrs Lisa Lawrance.

Comments:

I strongly object to this planning application to drill for gas and all its related activities in Burniston or any surrounding areas, for the reasons below: -

Pollution: Burning flares, Drilling noise, Light & Chemical pollution.

Road safety: Increased HGV traffic.

Industrial Development: Precious farmland destroyed.

Tourism: Devastating our beautiful countryside & Wildlife.

Climate change: Burning gases= more CO<sub>2</sub> + methane.

Earth Tremors: Risk of Earth tremors.
