Subject: New comments for application NY/2025/0030/ENV
Date: 10 September 2025 13:36:08

New comments have been received for application NY/2025/0030/ENV from Mr William O'Neill.

Comments:

So the government are pushing us in to net zero

With EVs and Heat Pump at our expense but think it's ok to start fracking in residential areas

We need to stop this from happening
