**Subject:** New comments for application NY/2025/0030/ENV  
**Date:** 04 October 2025 22:17:23

---

New comments have been received for application NY/2025/0030/ENV from Ms Jayne Warburton.

Comments:

There are multiple differences in the technical details provided by Europa Oil and Gas to North Yorkshire Planning Department and those supplied to the Environment Agency regarding permits. These discrepancies should be fully investigated by the planning department before any decision is made. I strongly object to this application and feel local people are being misled and misrepresented.
