**Subject:** New comments for application NY/2025/0030/ENV  
**Date:** 30 November 2025 08:33:28

---

New comments have been received for application NY/2025/0030/ENV from Dr Nicola Hall.

Comments:

We cannot afford to explore new sites for fossil fuels.

This especially applies onshore and with newer technology. The seismological effects, land and groundwater pollution and excessive water usage simply mean that the precautionary principle should apply and such methods disallowed.
