**Subject:** New comments for application NY/2025/0030/ENV  
**Date:** 01 December 2025 13:07:03

---

New comments have been received for application NY/2025/0030/ENV from Mr Michael Bradley.

Comments:

I am Scarborough born & my parents lived near the proposed site. I object to the spoiling of the natural landscape. I also object to this unproven method of extraction very similar to fracking. As a country we need to transition to a clean energy economy asap
