**Subject:** New comments for application NY/2025/0030/ENV  
**Date:** 03 January 2026 17:12:00

---

New comments have been received for application NY/2025/0030/ENV from Mr Bob McGovern.

Comments:

This is fracking by any other name. It will have a devastating impact on the quality of life and environment both in Burniston, wider Scarborough area and the National Park. It should come under the fracking moratorium/ ban that is currently in place. I urge the authority to reject it.
