New comments have been received for application NY/2025/0030/ENV from Mr Simon Doughty.

Comments:

Objections to granting planning permission.

On the grounds of environmental impact to neighbouring residential, unique coastal and marine area.
As well as been opposite to the UK government policy on the move to zero carbon, and moving away from fossil fuels.

Also there would be a danger as the area had a very close (3 miles) Moorland fire that lasted weeks.
