Subject: New comments for application NY/2025/0030/ENV
Date: 19 April 2026 10:03:27

New comments have been received for application NY/2025/0030/ENV from Mr Adam Ledger.

Comments:

With recent record-breaking usage of renewable energy sources, what a huge step backwards it would be to allow fracking to occur anywhere, let alone right on the doorstep of a community.
