Proposed Multi-Use Games  
Area (MUGA)

- NOTES :**
- 1) Surfacing:  
Scrape back 30mm from  
ground level to remove turf  
(excess spoils here will be  
reused to make graded  
mound alongside MUGA).  
Sub base consists of 100mm  
depth MOT Type 1 stone and  
20mm grano dust. Artificial  
grass is laid onto a 10mm  
shock pad to help absorb  
impact from sports play.
- 2) Foundations:  
C20 Concrete foundations to  
all post installation.
- 3) Site made good upon  
completion of MUGA.
